

AL SUMMER SCHOOL 2021

Are you ready to go to university or already a student?

The Athénée de Luxembourg is looking for former students willing to tutor students of the international classes in the following subjects

French, English, Mathematics,
Biology, Physics and Chemistry

From August 30 to September 10 2021

in groups of 15 students maximum

and 5 double lessons per subject

Your participation will be remunerated for the hours worked via a fixed-term contract at B1 level (secondary school leaving certificate).

The aim is to support young people who have obtained a TV/TR in their preparation for the written test in mid-September, in the form of a "catch-up course". Others who, because of the pandemic, have fallen behind will also be able to take advantage of this offer of "refresher courses" in order to be better prepared for the start of the school year.

Interested?

Contact us before 13 July 2021 (summerschool@al.lu)
