

Dear students, dear parents,
Dear colleagues and honorary colleagues, dear alumni,

Almost two years into the pandemic, we are slowly returning to our everyday school business at Athénée de Luxembourg.

Our NGO *Athénée – Action humanitaire* is therefore pleased to announce the return of our traditional **Charity Run**, our most important fundraising activity that aims to further our educational, ecological and food related projects in South Africa, Cape Verde and Greece.* Please consult our website for further information about our current projects: a-ah.lu or shop.al.lu.

* Due to the war in Ukraine, the school community has organised a donation campaign to support the countless people from Ukraine who lack the most basic necessities. You may purchase first aid and survival kits via our shop.al.lu. Moreover, we will also donate a share of the proceeds from our **Charity Run** to an officially recognised NGO.

Taking part in the **Charity Run** is easy: the participants **find sponsors** that agree to **pay a certain sum for every 5 minutes running time** (minimum 1€ / 5min.). **The students will register on the website charityrun.lu** and indicate the name and full contact details of their sponsors. After the run, a letter with the achieved amount will be sent to every sponsor who can then proceed with the payment, either by simple bank transfer or by *Payconiq* (please scan the QR code). The donations are tax deductible.

When?	Friday, 1st April 2022, from 08h05 - 15h40
Where?	Morning and afternoon: gym at Athénée In the afternoon: gym and on the tracks outside, if the weather permits
